

## December 2016 Updates

### AVAILABLE NOW

- File size reduction for offline downloading using the mobile apps. Units now download 50-60% faster.

### NEW DIGITAL FEATURES AVAILABLE MID DECEMBER

- Teacher created EssayScorer prompts (untrained feedback only)
- Realize Content Updates – corrected audio and media links, updated Assessments
- Rebranding eText 2.0 to *Realize Reader* – the only impact is that name of the app is now *Realize Reader* when you download the Chrome or iPad App from the stores after December 16)
- *Realize Reader* – Unit download from the assignment summary screen (mobile apps only), which provides ease of use download feature for active assignments in *Realize Reader* (another point of download)
- Students can view completed interactive work from *Realize Reader* in Realize - no more taking screenshots! In February, this will be available in *Realize Reader* – meaning students will see interactive work saved in their Student Edition.

### COMING SOON

- Available March 2017 – *Realize Reader* Multilingual Glossary
- Available BTS 2017 – NEW Accessible Leveled Texts
