

Digital Updates February 2017

AVAILABLE NOW

- Updated Program Level Resources are now **Editable PDFs** for students to work in directly – Word Network, Evidence Log, First and Close Read Guides.
- Teacher created EssayScorer prompts (untrained feedback only) now available under “Create Content” on Realize.

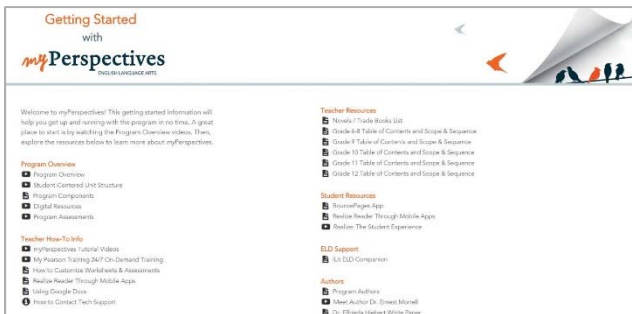

- Updated Examview content for Grades 6-12 is now available. To receive updates, you need to open your existing ExamView program, choose “Help” and then choose "Check for Content Updates," in order to download the updated banks.

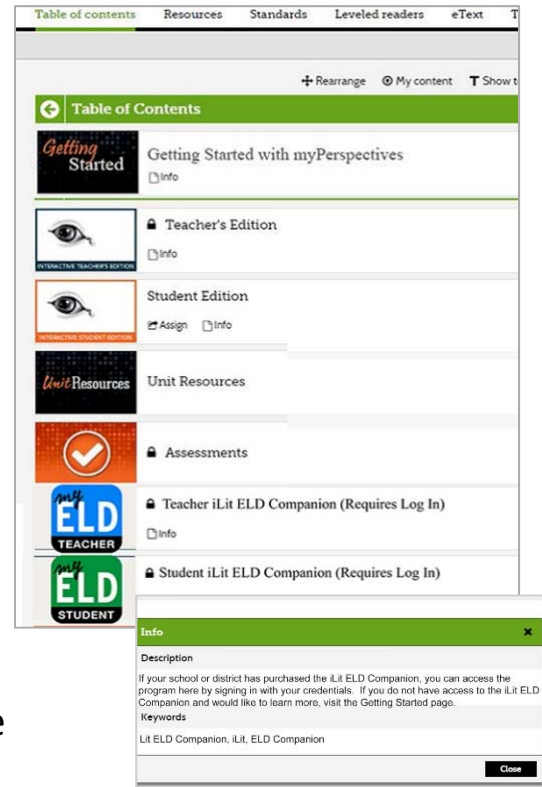

AVAILABLE 1ST WEEK OF FEBRUARY

- **Getting Started** resources to help teachers navigate and find how-to resources easier including guides and videos.

- Table of Contents will also provide quick sign-on link to the ELD Companion, an additional for-purchase resource.

- Patch to fix an intermittent technical problem with Realize Reader (Student Edition) annotating, highlighting, and bookmarking so that they save.
- Patch to fix an intermittent EssayScorer issue where some student essays are not being scored due to a technical glitch.

ADDITIONAL FEATURES

- *Realize Reader* Multilingual Glossary – over 9 additional languages at-point-of-use (March 2017)
- Accessible Leveled Texts for each selection (Summer 2017)
- Google Classroom Integration (Summer 2017)
