

Downloadable eTexts

Pearson Literature offers downloadable versions for offline use of the Student and Teacher Edition eTexts. Multiple versions are available for different devices. To access the downloadable eTexts, follow the directions here for your specific device.

How to download PDFs for Desktop or Laptop Computers

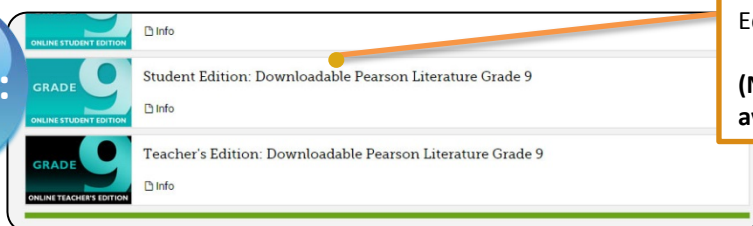

If you use a computer, PDFs of the Student Edition are available for download. These PDFs are embedded within the Student Edition eText.

Step 1:

Within Realize, click on **eText** in the upper menu.

Step 2:

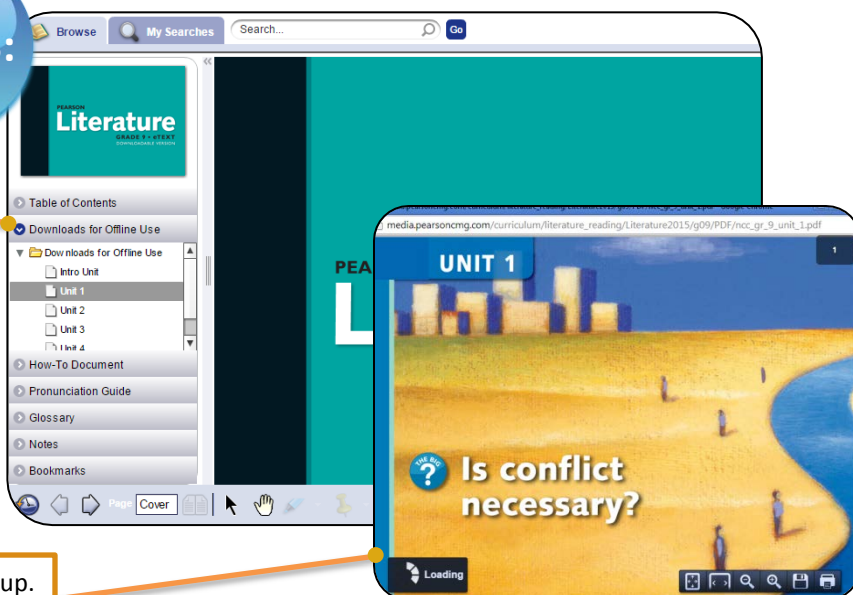

Click on the Downloadable Student Edition and open the **eText**.

(NOTE: PDFs versions are not available for Teacher's Editions)

Step 3:

From the left navigation pane in the Student eText, select **Downloads for Offline Use** and select the Unit you want to download.

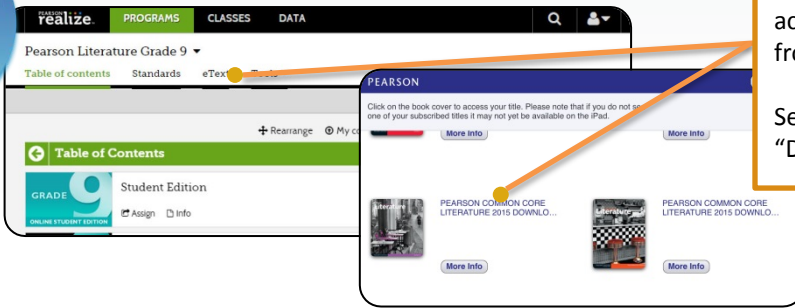

A window with the PDF will pop up. Click on the buttons below to **Save** or **Print**.

Downloadable eTexts

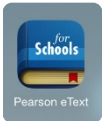

How to download eTexts for tablets

If you use tablets, a downloadable version of the Student and Teacher's Edition are available for offline use. You can access the eTexts from **PearsonRealize** or directly from the **Pearson for Schools eText App**.

Step 1:

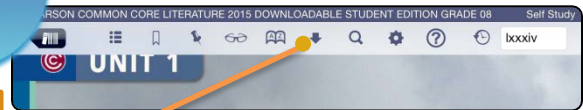

Within Realize, click on **eText** in the upper menu *OR* access the eText directly from the **Pearson eText App**.

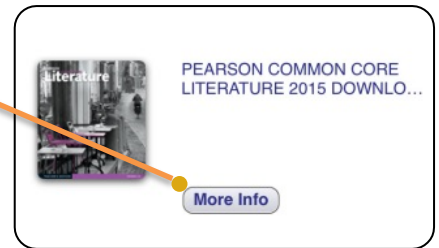

Select the eTexts with the word "Downloadable" in the title.

Step 2:

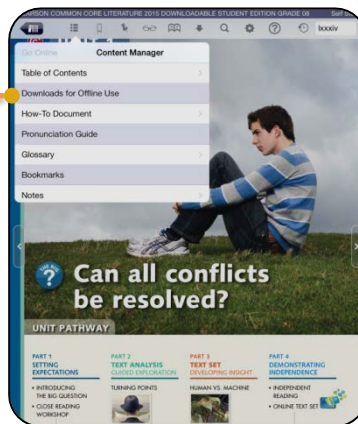

To download content, launch the **Download Manager** from within the eText menu or access directly from your Bookshelf.

If you are within the eText, click the **Download Arrow** button *OR* from the Bookshelf, click **More Info**.

NOTE: When viewing the downloadable eText on a tablet, in the TOC, you will see "Downloads for Offline Use." This is **NOT** the downloadable eText. This is where you will find PDFs of the eText meant for users with other devices.

You can use these PDFs to read the selections, but note that these do not include the eText features such as notes and highlighting.

Downloadable eTexts

How to download eTexts for tablets cont'd

Step 3:

Once the **Download Manager** is open, select the Units you want to be available offline and click **Download Selected Content**.

NOTE: Do not log out of or close the eText App. You need to remain logged in while you have an Internet connection, so that once you are offline you will be able to access the eText App.

The checkmark icon will change to a circle with a black X while downloading.

When downloading is complete, the icon will change to a red X.

Step 4:

When your tablet is offline, the books that have downloaded content will be available.

Click the book cover that has offline content, and use as needed. Any notes, highlighting will be synced when you are online again.

Grayed out = No offline content available

Not grayed out = Available offline
